The
THURSDAY CLUB
History

The heart of The Thursday Club is inspiring women of all ages who share the gift of giving.

For over 100 years our members have combined social activities with fundraisers and volunteer commitments to benefit civic and benevolent projects in Balboa Park and the San Diego community.

The Thursday Club founded in 1921 when four young women formed a club that would combine social activities with worthwhile civic and benevolent projects. It wasn't until 1927, when The Thursday Club was granted the deed to a large parcel of land on a choice spot in the Sunset Cliffs area of Point Loma, that they would realize their dream of having a clubhouse to call their own. Today, the clubhouse is renowned as a beautiful San Diego wedding and event venue with timeless Spanish architecture and expansive ocean views.

The venue rental business supports The Thursday Club's philanthropic efforts, along with the clubhouse preservation and improvements
